PORTAL <http://themis.adspmam.it/it/>

The screenshot shows the homepage of the Themis project portal. At the top, there is a navigation bar with links for "Homepage", "Il Progetto Themis", "I Porti", "Itinerari", "Experience", "Social Wall", and "Il network". There are also icons for social media and the European Union flag. Below the navigation bar, a large banner features the text "Discover all the experience of exclusive journeys" on the left and "CRUISING in BEAUTY" on the right, set against a background of a coastal town and sea. Below the banner, there are five square thumbnails with the following labels and icons: "CULTURE" (crown icon), "NATURE" (leaf icon), "FOOD" (fork and knife icon), "WELLNESS" (lotus flower icon), and "EXPERIENCE" (hand icon). The overall design is dark-themed with yellow and white text.

In the heart of the ancient island, at the highest point of the historic village of the Città Bella, stands the majestic Cathedral of Gallipoli dedicated to Sant'Agata and built between 1629 and 1696. Its plan, like the one of the cathedral of Siracusa, is based on the Greek cross.
